

**Registration: Oral examination in the study programme
M. Sc. Mathematics in Data and Technology**

This application must be completed in full and signed by the examiner and submitted to the Examinations Office of the Mathematical Institute (Room 333, Ernst-Zermelo-Straße 1) at the latest three weeks before the examination date.

In addition to the application, the Examination Office must also receive the 'Application for admission to the examinations accompanying the degree programme (Antrag auf Zulassung zu den studienbegleitenden Prüfungen)' in the relevant Master's degree programme as well as a complete overview of the completed degree programme on the basis of which admission to the Master's degree programme was granted.

The module will only be completed and the ECTS points awarded if, in addition to passing the examination, the respective pass/fail examinations on the examination material has also been completed. If courses are offered irregularly, it may not be possible to complete these pass/fail examinations at a later date.
