

## Registration for the graduation ceremony in summer semester

Dear candidate,

the Faculty of Mathematics and Physics cordially invites you to the graduation ceremony of doctorates and the graduates of the Bachelor's and Master's degree programs as part of the faculty party at the end of the summer semester (usually on the first Friday in July).

We would be delighted to welcome you to this event! To register or cancel your registration, please complete this form and send it to us.

The Dean

Matriculation no.      First name      Last name

☐ I am interested in the graduation ceremony.  
Please send the invitation to the following address:

Street      House number

ZIP Code      Place      Country

E-Mail address

☐ I will not be attending the graduation ceremony.

If I attend the graduation ceremony, I agree to this (until further notice),

- ☐ that my first and last name will be shown in a beamer presentation, the title of my thesis, the type of degree and the name of my supervisor(s) will be published,
- ☐ that group photos will be taken by a person authorized by the faculty and made available to the persons depicted on them upon request.
