Internship agreement for the module *Industrial Placement*

This form has to be supplemented with suitable references for the planned internship and signed by the responsible professor before the start of the internship.
It then has to be submitted or sent by e-mail—fully completed and signed—to the Examination Office of the Mathematical Institute (Room 333, Ernst-Zermelo-Str. 1). The submission to the Examination Office can also be done after completion of the internship, together with the internship certificate and the internship report.

Matriculation no. | First name | Last name

For the module *Industrial Placement* within the *M.Sc. Mathematics in Data and Technology*, I apply for eligibility of my internship at

Name and address of the institution / company

which I will do from ☐☐ . ☐☐ . 20☐☐ to ☐☐ . ☐☐ . 20☐☐ (at least 6 weeks full-time).

- ☐ I am enclosing with this form the letter of offer from the institution/company listed above for the internship (or comparable references).
- ☐ I confirm that I am familiar with the rules of good scientific practice as outlined on the web page of the Mathematical Institute.
- ☐ I am aware that I have to hand in a report on the internship (5–10 pages) and a copy of the internship certificate to the Examination Office of the Mathematical Institute in order to complete the module and to obtain the credit points.

☐☐ . ☐☐ . 20☐☐ _____
Date (DD/MM/YYYY) Signature student

Confirmation of the responsible professor of the module, Sören Bartels:

I confirm that the above internship is eligible for the module *Industrial placement* within the *M.Sc. Mathematics in Data and Technology*.
