

Registration: Oral examination in the study programme M. Sc. Mathematics in Data and Technology

This application must be completed in full, signed by the examiner, and submitted to the Examination Office of the Mathematical Institute (Room 333, Ernst-Zermelo-Strasse 1) at the latest three weeks before the examination date.

In addition to this application, the Examination Office must also receive the "Admission to the examinations in the degree programme M.Sc. Mathematics in Data and Technology (Antrag auf Zulassung zu den studienbegleitenden Prüfungen)" as well as a transcript of records of the degree programme on the basis of which admission to the Master's degree programme was granted.

A module will only be completed and credits awarded if, in addition to passing the oral examination, the respective pass/fail examinations in the lectures to be examined have been passed. If courses are offered irregularly, it may not be possible to complete these pass/fail examinations at a later date.

Matriculation no. First name Last name

I hereby register bindingly for the oral module examination

in the module ☐ Advanced Lecture in Numerics
☐ Advanced Lecture in Stochastics

examination topic

on . . 20 at : with

☐ I would like to take the exam in German instead of English.

It is not possible to sign-out of the examination at a later date. If the examination has to be repeated, the repetition exam has to take place with the same examiners about the same examination area.
